SUBJECT: **INFORMATION USED TO ALLOCATE FUNDS TO MEET THE EDUCATION NEEDS OF EDUCATIONALLY DISADVANTAGED CHILDREN**

This letter is to inform counties of a revised federal requirement for the collection and reporting of point in time data required by the Education Consolidation and Improvement Act (ECIA) of 1981, as amended and the continuing need for related information called for by Title I of the Elementary and Secondary Education Act (ESEA) of 1965, as amended, and the California Education Code. In brief, the ECIA requires an annual report to the Administration for Children and Families (ACF) detailing the number of children in families receiving Temporary Assistance for Needy Families (which is CalWORKs in California) cash assistance exceeding the poverty income level and the number of children in foster care, during the month of October each year. The ESEA requires a complete list of children in families receiving CalWORKs, so a supplementary list of children in families receiving cash grants less than or equal to the poverty level is necessary. The information is used by the ACF and the California Department of Education (CDE) to allocate federal funds to meet the education needs of educationally disadvantaged children.

Both the ACF and CDE are now requiring that the number of children be reported showing how many reside within the jurisdiction of each local educational agency (LEA), which is analogous to school district. The California Department of Social Services (CDSS) and CDE, with the active participation of the County Office of Education (COE), have devised a process whereby the LEA link will be determined by the COE.

In prior years, to collect the ECIA required data, counties were to submit three forms, Statistical Report on CalWORKs Recipients Ages 5-17 Needed to Implement the Education Consolidation and Improvement Act of 1981 (CA 802), the Statistical Report on Children in Foster Care Needed to Implement the Education Consolidation and Improvement Act of 1981 (CA 803), and the Survey Check List For Forms CA 802 and CA 803 (CA 1015) to CDSS and provide a list of children to the COEs. Effective with the

October 2000 report, the three forms (CA 802, CA 803, and CA 1015) are discontinued and replaced by one form, the Statistical Report on the Number of Children Ages 5-17 in Foster Homes and in Families Receiving CalWORKs Cash Assistance Above the Poverty Level (CA 804). A copy of the form and instructions are enclosed. County Welfare Departments (CWD) are to continue to provide the list of children in families receiving CalWORKs less than or equal to the poverty level to their local COE.

Compared to last year's reporting requirements, there is no change in the categories of children about whom the data are collected. These are: (1) children living in foster homes and supported by public funds, (2) children in CalWORKs families receiving payments in excess of the poverty income level, and (3) children in CalWORKs families receiving payments equal to or below the poverty income level. Child is defined as a person aged 5-17 inclusive (i.e., a child who reaches 5 in the month of October is included, one who reaches 18 is not). For purposes of these lists, ACF has defined (and the CDE uses the same definition) the poverty income level be the amount for a family of four, regardless of family size; the level for the October 2000 report is \$1,420.83 per month. **The sole change is the new requirement to report the number of children in each category above by the LEA in which they reside rather than by county.** This results in a collateral change in the submission process because the LEA link will be determined by the COEs. The process will operate as follows:

A. As soon as possible, the CWD will submit three separate lists to their COE:

- 1) Children living in foster homes in California and supported by public funds during October 2000.
- 2) Children in CalWORKs families in California receiving payments in excess of the poverty income level (\$1,420.83 per month) during October 2000.
- 3) Children in CalWORKs families in California receiving payments equal to or below the poverty income level (\$1,420.83 per month) during October 2000.

Note: The CA 804 does not report on children outside California.

Each list must contain the child's:

- Name
- Street address
- City
- Zip code
- County (needed so that the local COE can forward out-of-county child information to the appropriate COE for processing)
- Birthdate (needed because some school districts do not contain schools above the elementary level and are served by more than one high school level LEA)

The CWD should call and discuss the list submission parameters with their COE contact. A list of COE contacts is enclosed. All COEs should be aware of their role

in this process. If they are not, you may refer them to Judith Bell, CDE, at jubell@cde.ca.gov or (916) 323-5833.

- B. The COEs will match the names on lists 1) and 2) above with the appropriate LEA. The local COE will coordinate and obtain LEA matches for out-of-county children with the appropriate COE. The local COE will return a fully matched list to the CWD.

Because the child-LEA match process is time-consuming the CWD must call the COE to discuss and submit the lists as quickly as possible. It is expected that the match process will take a minimum of four weeks. List 3) will be processed and forwarded to the CDE by the COE.

The CDE will use lists 2) and 3) to identify in which school boundary each CalWORKs child resides. The LEA ranks their schools based on the CalWORKs counts. Schools with high percentages of poor children receive the federal Improving America's Schools Act, Title I grants. Over one billion dollars each year is distributed to California schools using the LEA data.

- C. Using the COE findings for lists 1) and 2), the CWD will complete and submit the CA 804 to the CDSS by December 15, 2000, so that the federal reporting deadline can be met.

The enclosed statewide CA 804 form shows all school districts in California. When you report to the CDSS, the CWD may submit only those pages for which entries are present.

The report is to reflect the situation during October 2000. Please complete the CA 804 and mail it to the address below by December 15, 2000:

Definitions and Instructions:

The reporting month for this report is October 2000. Families receiving grants/payments for the month of October are to be included even though the warrant may have been issued in another month. Each county must use the integrated payroll. No sampling or estimating may be used in preparing these reports.

Children is defined as persons aged 5-17 inclusive (i.e., a child who reaches 5 in the month of October is included, one who reaches 18 is not).

County: enter the name of your county.

Report: month for which the data is to be reported. This is pre-filled.

Column (1) through Column (4). These columns are pre-filled. Do not enter or change data in these columns.

Column (1): Code - federal assigned codes for each county.

Column (2): Counties - county names.

Column (3): LEA Code - federal assigned codes for the local educational agencies in each county.

Column (4): Local Educational Agency (LEA) - List of school districts in each county.

Note: Children should be reported as belonging to the LEA and county in which they reside. Children who reside in other states should not be included on this form.

Column (5): Number of Children in Foster Homes and Supported by Public Funds - for each LEA, enter the total count of children in foster care who received public funds and resided in that LEA. Enter the sum of all counts at the bottom of the column.

Public funds is defined as any federal, state, or local monies used by public assistance agencies to support foster children.

Foster care is defined as 24-hour out-of-home care, excluding care in group homes.

Column (6): Number of Children in Families Receiving CalWORKs Payments Over the Poverty Level - for each LEA, enter the total count of children in CalWORKs families receiving cash payments **greater than** the poverty income level. Enter the sum of all counts at the bottom of the column.

The poverty income level for the October 2000 report is \$1,420.83 per month. Payments "in excess of the poverty income level" are public assistance payments that exceed the \$1,420.83 amount and which are made under the CalWORKs program from federal, state, or local funds. This refers to cash assistance payments only; do not count vendor payments, assistance in kind, and income from other sources. Unless the CalWORKs cash assistance exceeds the level specified, children in that family should not be included in this report.
